Sentences 1: This Saturday and Sunday, March 5 and 6, under your feet carpet company will be installing new carpets throughout the building. Which correction should be made to sentence 1?

A. Delete the commas after Sunday and 6.

B. Change under your feet carpet company to Under Your Feet Carpet Company.

C. Replace your with you??re.

D. Change new carpets to new-carpets.

E. No correction is necessary.

Correct Answer: B

Under Your Feet Carpet Company is a proper noun (a specific company) and should be capitalized. Choice a is incorrect because there should be commas around the month and dates of the month. Choice c is incorrect because you're is a contraction of you are; the sentence needs the possessive your. Choice d is incorrect because new modifies carpets, so there should not be a hyphen between them. Choice e is incorrect because the commas need to be added around the date.

Correct Answer: B

This is the most concise and clear version. Choices a, c, and d are incorrect because they are unnecessarily wordy. Choices d and e are also awkward, and e is illogical.

(16) A little research can help you find the right place for your purchase.

Sentence 5: This depend upon two things: how much you can afford to spend and how much you want to spend. Which correction should be made to sentence 5?

A. Add second to the beginning of the sentence.

B. Change depend to depends.

C. Replace can with should.

D. Change want to wants.

E. No correction is necessary.

Correct Answer: B

Depend needs to be changed to depends to correct the error in subjectverb agreement; this is singular and needs a singular verb. Choice a is incorrect because the sentence does not offer another reason but rather an explanation of the first reason. Choice c is incorrect because can is the proper helping verb in this context; it is a matter of ability, not expectation. Choice d is incorrect because the change would create another error in subjectverb agreement; you and want both need to be singular. Choice e is incorrect because the subjectverb agreement error needs to be corrected.

E. No revision is necessary.

Correct Answer: C

Sentence 2 is a fragment and should be connected to sentence 1. Choice a is incorrect because sentence 2 provides useful examples; there is no reason to delete it. Choice b is incorrect because adding for example would not fix the sentence fragment. Choice d is incorrect because the examples of reasons to buy gifts should immediately follow sentence 1. Choice e is incorrect because the fragment needs to be corrected.

(16) A little research can help you find the right place for your purchase.

(17) That is making you, your wallet, and your gift recipient happy.

Sentence 14: Determine where you can purchase the kind of gift you want within your budget. The most effective revision to the beginning of sentence 14 would be:

A. At last, determine where you can purchase

B. One of the things to determine is where you can purchase

C. After you determine where to purchase

D. Third, determine where you can purchase

E. Yet, determining where you can purchase

Correct Answer: D

This is the third step, and it should follow the previous steps in using a number transition. Choice a is incorrect because while this is the third and last step in the passage, at last is not the most effective transition given the context. Choice b is wordy and does not indicate the number of the step. Choice c is incorrect because it would create an illogical sentence fragment. Choice e is incorrect because the sentence does not contrast with the ideas in sentence 13.
