### QUESTION 1

You have been a Product Owner at a new company for a few weeks. It has become clear to that many people, both inside and outside the Scrum Team, expect close involvement in the decisions that you, as a Product Owner, are accountable for.

As a result, you find that it takes too long to make decisions. Which of the following are reasonable options you could take? (Choose three.)

- A. Create and share a delegation board that displays your decision-making areas and work with your Scrum Team to clarify decision making accountability and responsibility
- B. Allow other members of the Scrum Team and stakeholders to continue making decisions they are not accountable for documenting which decisions do not deliver the intended value
- C. Demonstrate with the help of data, how long it is taking you to make decisions and the impact that the long decision-making cycle has on delivering value to the customer
- D. Work with your Scrum Master to better understand what next steps you can take to move the company's understanding of product ownership up in the maturity curve towards Entrepreneur
- E. Start making all the decisions without consulting the others who have expressed interest

Correct Answer: ACD

---
